## Grand Knight's Message

Here is my last Grand Knight report

Summer is upon us even though the rain makes it feel less like it.

Our upcoming June meeting is a very important one where we will discuss the latest information of the changes in the Boy Scouts.

The 4th Degree Knights participated in Confirmation recently and we received a nice thank you for our participation from Janet Lucy.

The update on the Ultrasound project, they have a schedule date for arrival of the ultrasound machine early June. More information will be coming about the open house they will hold.

We need all Knights to complete the activity sheet so we can get credit for all the hours that we provide as community service.

Please congratulate our new officers that will begin their service to our council on July 1, 2013. See the new officers on the Page 2.

It has been my honor to serve as the Grand Knight for Council 307 for these past 2 years. Thank you for your help and support and please continue to attend the meetings to lend your support to our new officers coming in. I have grown tremendously as a person by my involvement with the Knights through the various projects we have been involved in such as the Rose for Motherhood, The Right to Life work, the Ultrasound Project, our presence at the State House during the many hearings on the physician assisted death bill, just to name a few.

The annual Tootsie Roll drive is fast approaching. It will be held Friday June 28, 2013 and Saturday June 29th. If you can help out with this, please contact Henry Maynard or Dan Amadon.

May your blessings be many  
The sunshine above you,  
Your life bring you gladness  
And always..... God love you!  
Michael Daly

## ~ Quotes for the Summer Months ~

*"The serene philosophy of the pink rose is steadying. Its fragrant, delicate petals open fully and are ready to fall, without regret or disillusion, after only a day in the sun. It is so every summer. One can almost hear their pink, fragrant murmur as they settle down upon the grass: 'Summer, summer, it will always be summer.'"*

- Rachel Peden -

*"Mosquito is out,  
it's the end of the day;  
she's humming and hunting  
her evening away.  
Who knows why such hunger  
arrives on such wings  
at sundown? I guess  
it's the nature of things."*

- N. M. Boedecker, Midsummer Night Itch
